MOST UP TO DATE, REVISED OFFICIAL SCHEDULES: <http://www.ifa.uni.wroc.pl/dla-studenta/schedules/?lang=pl>

About the schedules and the selection of courses

Each class lasts **90 minutes** (=two 45-minute teaching hours a week).

You can attend various courses from different levels: **1st, 2nd, 3rd** year of undergraduate studies (**BA**), **1st, 2nd** year of graduate studies (**MA**). **You do not have to attend all courses with the same year.**

For many courses in the 2nd and 3rd year (BA), students are divided into several groups, and the same classes are repeated several times a week for different groups of students. You can choose any one of these groups, depending on the day and hour you prefer, if there are still places available.

You cannot attend courses which are in Polish and courses which require the knowledge and use of Polish (i.e. English-Polish translation).

You cannot attend any MA seminar and specialization, which is a four-semester course that ends with writing an MA thesis.

During the first two weeks of the semester you should **decide which courses you want to attend** and you should **register for them in the USOS system**. Note that attendance is obligatory, so you will not be able to join new courses later during the semester (e.g. after the first month or later).

First, you should ask each teacher if you can join their course. Then, in order to register for the selected courses in the USOS system, please write to the USOS administrator, Mr Ireneusz Kuboń, e-mail: ireneusz.kubon @ uwr.edu.pl
In your message you should specify: your name and surname, your index number, the name of the course to be added (or deleted), the name of the teacher, the year (1/2/3 BA or 1/2 MA), the number of the group (1/2/3/4/5) if applicable.

By the end of the first month of the semester you should prepare **Changes to Learning Agreement** (if necessary) and bring the document to the Erasmus coordinator to sign. Your home university may require you to do it earlier.

If you leave before you get the grades, complete the Transcript Request form, giving your full home address (not e-mail!), to which the Transcript of Records will later be sent, and leave the Transcript Request at the Dean's Office.

The **Foreign Languages Centre** offers courses of foreign languages on different levels (English, German, French, Italian, Spanish, Russian).
