

Master programme in linguistics at the University of Wrocław

Empirical and Theoretical Linguistics (ETHEL)

Semester	Module	Course	Form of tuition	Number of hours	Final assessment	ECTS
1	Module 1: <i>Basics: Theoretical Linguistics</i>				Written exams in all four parts	12
		Syntax	class	30		3
		Morphology	class	30		3
		Phonetics and Phonology	class	30		3
		Semantics and Pragmatics	class	30		3
1	Module 2: <i>Basics: Psycho- and Neurolinguistics</i>				Written exams in all three parts	9
		Psycholinguistics	class	30		3
		Neurolinguistics	class	30		3
		Language Acquisition	class	30		3
1	Module 3: <i>Empirical Basics</i>				Term paper – a sketch of an experiment design ¹	9
		Statistics	laboratory	30		3
		Lab course I: Methods in Corpus Linguistics	laboratory	30		3
		Lab course II: Methods in Psycholinguistics	laboratory	30		3
Subtotal				300		30

¹ These courses are closely interleaved, e.g., by using data from the lab courses in the statistics course. The final assessment will also involve topics from all the courses.

Semester	Module	Course	Form of tuition	Number of hours	Ways of earning credits for the completion of a course	ECTS
2	Module 4: <i>Language description and comparison</i>				Written exams in all four parts	12
		Typology	class	30		3
		Historical Linguistics	class	30		3
		Structure of a language I	class	30		3
		Structure of a language II	class	30		3
2	Module 5: <i>Linguistic levels I: Syntax and its interfaces</i>				Term paper	9
		Lab course 'Generative Syntax'	class	30		3
		Course	class	30		3
						3
2	Module 6: <i>Linguistic levels II: Semantics and its interfaces</i>				Term paper	9
		Lab course 'Formal Semantics'	class	30		3
		Course	class	30		3
						3
Subtotal				240		30

Semester	Module	Course	Form of tuition	Number of hours	Ways of earning credits for the completion of a course	ECTS
3	Module 7: <i>Language processing, production, and acquisition</i> ²				Extended term paper	12
		Course 1	class	30		4
		Course 2	class	30		4
						4
3	Module 8: <i>Specialisation</i> ³				Extended term paper	12
		Course 1	class	30		4
		Course 2	class	30		4
						4
3	Module 9: <i>Academic skills</i>				Credit (not graded)	1
		Attendance of scientific talks	laboratory	10		
		Practical training (psycholinguistic laboratories/publisher)	laboratory	10		
		Supervised individual study	Individual meetings with the supervisor	10		
3	Physical Education/Sports		laboratory	30	Graded credit	1
3	Module 10: <i>Practical course in a selected modern language</i>				Exam	4
			class	60		
Subtotal				240		30

² The methods applied in the courses are taken from psycho- or corpus linguistics.

³ As far **Module 8** "Specialization" is concerned, students will be advised by their tutor to choose certain courses depending on the topic of their MA theses. So this module will be a sort of an "individual research module".

Semester	Module	Course	Form of tuition	Number of hours	Ways of earning credits for the completion of a course	ECTS
4	Master thesis (writing)				Graded credit	30

Total: 780 hours, 120 ECTS (including 78 ECTS from elective courses)

Key to symbols:

Red colour – elective course

1 ECTS = 30 hour workload

Important note:

International students have to obligatorily attend Polish language classes. Polish classes are an additional requirement, i.e., they are not part of the ETHEL programme (ZARZĄDZENIE Nr 20/2016 Rektora Uniwersytetu Wrocławskiego z dnia 9 marca 2016 r.).

Please note that this means that a modern language selected in Module 10 cannot be the Polish language, neither for Polish nor for international students.

Diploma regulations and guidelines for writing a diploma thesis can be found in Uchwała nr 213/2015 Rady Wydziału Filologicznego Uniwersytetu Wrocławskiego (<http://www.wfil.uni.wroc.pl/wrzesien-2015>).

Legal basis:

Regulamin Studiów w Uniwersytecie Wrocławskim (Uchwała nr 26/2015 Senatu UWr. z dnia 25 marca 2015);

and on the basis of the abovementioned Regulamin

Uchwała nr 17/2015 Senatu Uniwersytetu Wrocławskiego z dnia 25 lutego 2015 w sprawie wytycznych dla rad podstawowych jednostek organizacyjnych dotyczących tworzenia programów kształcenia na studiach pierwszego oraz drugiego stopnia, jednolitych studiach magisterskich, studiach podyplomowych, kursach doształcających i szkoleniach.

Uchwała nr 213/2015 Rady Wydziału Filologicznego UWr. z dnia 22 września 2015 w sprawie szczegółowych warunków ukończenia studiów I i II stopnia oraz prac i egzaminów dyplomowych na Wydziale Filologicznym
